

## Flat Network Cable Extension CAT7 Vention ICBBG RJ45 Etherne

Ref: 6922794729742

Flat Network Cable Extension Category 7 Vention ICBBG 1.5m Black

Vention ICBBG Cat.7 Flat Network Cable Extension 1.5m Black

Modern digital technology requires not only advanced hardware but also appropriate tools and accessories that help to fully exploit its potential. The Vention ICBBG network cable extension is a product that combines quality workmanship with performance. It is the answer to the needs of users looking for certainty and reliability in everyday use.

High Throughput up to 10 Gbps

With the ability to transmit data at 10 Gbps, the Vention ICBBG extension guarantees smooth and fast operation. Such a transmission rate is perfect for those who need a stable connection when transferring large files, streaming in high resolution, or other activities requiring high transfer power. With this extension, you do not have to worry about delays or interruptions in service.

Versatile RJ45 Interface

The ICBBG model is equipped with a universal RJ45 interface, making it compatible with many devices. Whether you want to connect a computer, laptop, router, or switch, this extension provides a secure and lasting connection. With such a solution, you can be certain that one product will meet many of your needs.

Flat Design for Ease of Use

The flat design of the Vention extension not only adds an aesthetic look but also makes its installation and organization easier. Such a shape allows for discreet cable routing along the floor, wall, or under the carpet, minimizing the risk of tangling and mess. With a length of 1.5m, the extension is a practical solution that provides flexibility in configuring your work or entertainment setup.
