

Flat Network Cable Extension CAT7 Vention ICBK RJ45 Etherne

Ref: 6922794729780

Flat Network Cable Extension Category 7 Vention ICBK 8m Black

Flat Cat.7 Network Cable Extension Vention ICBK 8m Black

Modern digital technology requires not only advanced equipment, but also suitable tools and accessories that help to fully utilize its potential. The Vention network cable extension, model ICBK, is a product that combines quality workmanship with performance. It is an answer to the needs of users who desire certainty and reliability in everyday use.

High Throughput up to 10 Gbps

Thanks to its capability of data transmission at a level of 10 Gbps, the Vention ICBK extension ensures smooth and fast operation. Such a transmission rate is ideal for those who require a stable connection for transferring large files, streaming in high resolution, or other activities that demand high data transfer power. With this extension, you don't have to worry about delays or interruptions.

Versatile RJ45 Interface

The ICBK model is equipped with a universal RJ45 interface, making it compatible with many devices. Whether you want to connect a computer, laptop, router, or switch, this extension provides a secure and durable connection. With such a solution, you can be sure that one product will meet many of your needs.

Flat Design for User Convenience

The flat design of the Vention extension not only adds to its aesthetic appearance but also facilitates its installation and organization. This shape allows for discreet cable routing along the floor, wall, or under the carpet, minimizing the risk of tangling and clutter. With a length of 8 m, the extension is a practical solution that provides flexibility in configuring your workspace or entertainment area.
