

Network cable CAT8 SFTP Vention IKABQ RJ45 Ethernet 40Gbps 2

Ref: 6922794744608

Network cable cat.8 SFTP Vention IKABQ 20m Black

Cat. 8 SFTP Black 20m Network Cable

Thanks to the use of oxygen-free copper, the Vention IKABQ cable ensures optimal signal flow. This type of copper is known for its exceptionally high conductivity, resulting in stability and purity of transmission. It's an exceptional solution for professionals and home network enthusiasts.

Incredible Transmission Speed - Up to 40Gbps

Looking for maximum performance in your network? The Vention IKABQ network cable allows data transmission at speeds of up to 40Gbps. This guarantees smooth streaming, fast file transfers, and seamless connections in any conditions.

Sturdy RJ45 8P8C Connector with Gold-Plated Plugs

Connectors are key to durability and reliability in a network cable. The IKABQ model is equipped with an RJ45 8P8C connector that ensures a stable and secure connection. Additionally, gold-plated plugs provide excellent contact and resistance to corrosion.

Durable Black PVC Coating

The Vention IKABQ cable is wrapped in a PVC coating that ensures its durability and protection against external factors. The elegant black color blends perfectly with most devices and surroundings, adding elegance to any space.
