USB 2.0 A to Mini-B Vention COMBD Cable 0.5m Black PVC

USB Vention COMBD cable is a combination of performance, reliability, and comfort. It's a tool that makes life easier and allows you to enjoy smooth operation of your devices. Discover a new standard in connectivity today!

User Comfort

With a length of 0.5 meters, the Vention cable is ideal for various applications, meeting your needs. Made from the highest quality materials, it will be durable and resistant to wear. This is a guarantee that it will serve you for many years, regardless of intensive use. Moreover, it provides stable and fast connection, even when you want to stream live images from a camera to a computer.

Reliable Data Transmission and Fast Charging

The COMBD cable enables efficient data transmission at a speed of 480 Mbps. Whether you're transferring files, watching multimedia, or working online, you can be sure that your connection is reliable. Furthermore, this cable guarantees fast charging of your devices. It is also compatible with MP3/MP4/MP5.
