USB 3.0 cable Vention CONBD 0.5m Black PVC

Ref: 6922794748804

USB 3.0 Vention CONBD Cable 0.5m Black PVC

The Vention CONBD cable is a blend of practicality and modernity. It stands out for its high-quality construction and versatility, becoming an indispensable element at home or in the office for any user of electronic equipment.

#### High-Speed Transmission

In the age of the digital revolution, the key feature of any cable is the speed of data transmission. The Vention CONBD model guarantees a bandwidth of up to 5 Gbps. As a result, the user can transfer large files in the blink of an eye, stream videos, or perform advanced activities online without worrying about delays or interruptions in transmission.

#### Versatility in Use

Compatibility is an integral part of modern technological solutions. The Vention CONBD cable works perfectly with various devices - from laptops and desktop computers to televisions and cameras. An additional advantage is the ability to connect to TV boxes, which will surely be appreciated by home entertainment enthusiasts.

#### Solidity and Durability

When choosing a cable, it is worth paying attention to the material from which it was made. The CONBD model was created from PVC, a

material known for its resistance to mechanical damage. The 0.5m long cable is not only durable but also flexible, which makes it easy to use in different conditions. Additionally, the cable is capable of transmitting current of 2 A, ensuring fast charging of devices.
