USB 3.0 A to Micro-B cable Vention COPBD 0.5m Black PVC

USB-A 3.0 to Micro-B Vention COPBD 0.5m cable (black)

The 0.5m USB-A 3.0 to Micro-B Vention cable is dedicated to hard drives, among other devices, but is also compatible with other devices, including smartphones. It provides a current of up to 3 A, so it will renew the energy of your equipment in no time. It also allows data transfer at 5Gbps.

Guaranteed speed

Make your work easier. The Vention cable allows you to read and transmit data from mobile hard drives with capacities up to 4TB and a maximum size of 2.5". It provides a transfer speed of 5Gbps, so you can use it to transfer a 1GB file in just 3 seconds. However, that's not all! The amperage of up to 3A allows for lightning-fast power restoration. You no longer have to wait long for your phone to be ready for use!

High quality workmanship

Stable transmission and fast charging is due to the zinc-coated copper conductor. Double shielding guarantees protection from interference, ensuring stability in any situation. In addition, the universal USB 3.0 Type-A connector combined with USB 3.0 Micro-B makes the cable compatible with many devices.
