

Extension Cable USB 2.0 Male to Female Vention CBIBD 0.5m BI

Ref: 6922794748484

USB 2.0 male to female extension cable Vention CBIBD 0.5m Black PVC

Vention USB-A Male to USB-A Port Cable, Black, 0.5m

With the Vention CBIBD cable, users no longer need to bend down to connect the cable to the ports on the front of the computer or crawl under the desk in search of rear ports. The Vention cable provides comfort and convenience, saving your time and effort.

Device Port Protection

Constantly plugging and unplugging plugs from ports can lead to damage. The Vention CBIBD cable helps protect the ports on your devices. By permanently plugging it in, users reduce the frequency of plugging devices into the computer or laptop port, which translates to longer device lifespan and better performance.

High-Quality Construction

The Vention CBIBD cable is built with the highest quality materials. It consists of tinned copper wires and a grounding wire. These components are additionally surrounded by aluminum foil, a metal braid, and an outer PVC jacket. This construction ensures durability, resistance to interference, and a long service life.

Aesthetics and Functionality

Functionality is not the only important factor. The Vention CBIBD cable, designed in an elegant black color, will certainly complement

most devices and computer setups.
