USB 2.0 male to female extension cable Vention CBIBH 2m Black PVC

Vention Cable USB-A Plug to USB-A Port Black 2m

With the Vention cable model CBIBH, users no longer need to bend down to connect the cable to ports on the front of the computer or crawl under the desk to find the rear ports. The Vention cable provides comfort and convenience, allowing you to save your time and effort.

Device Port Protection

Constantly plugging and unplugging plugs from ports can lead to damage. The Vention cable model CBIBH helps protect the ports on your devices. By plugging it in permanently, the user reduces the frequency of plugging devices into the computer or laptop port, resulting in longer device lifespan and better performance.

High-Quality Construction

The Vention cable model CBIBH is built with the highest quality materials. It consists of tinned copper wires and grounding wire. These elements are additionally surrounded by aluminum foil, a metal braid, and an external PVC jacket. This construction ensures durability, resistance to interference, and a long period of use.

Aesthetics and Functionality

Functionality is not the only important factor. The Vention cable model CBIBH, made in an elegant black color, will certainly match most devices and computer setups.
