

Extension Cable USB 2.0 Male to Female Vention CBIBI 3m Blac

Ref: 6922794748521

USB 2.0 male to female extension cable Vention CBIBI 3m Black PVC

Vention USB-A to USB-A Plug Cable Black 3m

Using the Vention cable model CBIBI, you no longer need to bend down to connect the cable to the ports on the front of your computer or crawl under your desk in search of rear ports. The Vention cable provides comfort and convenience, saving you time and effort.

Device Port Protection

Constantly plugging and unplugging plugs from ports can lead to damage. The Vention cable model CBIBI helps protect the ports on your devices. By plugging it in permanently, the user reduces the frequency of plugging devices into the computer or laptop port, resulting in longer device lifespan and better performance.

High-Quality Construction

The Vention cable model CBIBI is constructed from the highest quality materials. It consists of tinned copper wires and grounding wire. These components are additionally surrounded by aluminum foil, metal braiding, and an external PVC jacket. This construction ensures durability, resistance to interference, and a long service life.

Aesthetics and Functionality

Functionality is not the only important factor. The Vention cable model CBIBI, with its elegant black color, will undoubtedly complement

most devices and computer setups.
