

# Extension Cable USB 3.0 male to female Vention CBHBI 3m Blac

Ref: 6922794748897

USB 3.0 male to female extension cable Vention CBHBI 3m Black PVC

## Vention USB-A to USB-A Plug Cable Black 3m

The Vention CBHBI model cable, equipped with USB 3.0, provides impressive data transmission speeds of 5Gbps. This allows users to transfer 1GB files in just 5 seconds, making it an incredibly efficient and fast process for transferring movies, photos, and larger files.

## Convenient Connection to Desktop Computers

With the Vention CBHBI model cable, users no longer need to bend down to connect cables to the front ports of the computer or crawl under the desk to find the rear ports. The Vention cable provides comfort and convenience, saving you time and effort.

## **Device Port Protection**

Constantly plugging and unplugging plugs from ports can lead to damage. The Vention CBHBI model cable helps protect the ports on your devices. By keeping it plugged in permanently, users reduce the frequency of plugging devices into the computer or laptop port, resulting in longer device lifespan and better performance.

## High-Quality Construction

The Vention CBHBI model cable is built with the highest quality materials. It consists of tin-plated copper wires and a grounding wire. These elements are further surrounded by aluminum foil, a metal braid, and an outer PVC jacket. This construction ensures durability,

resistance to interference, and a long period of use.

Aesthetics and Functionality

Not only functionality is important. The Vention CBHBI model cable, designed in an elegant black color, will certainly complement most devices and computer setups.
