

Extension Cable USB 3.0 male to female Vention CBHBH 2m Blac USB 3.0 male to female extension cable Vention CBHBH 2m Black PVC

Vention USB-A Plug to USB-A Port Cable Black 2m

The Vention CBHBI model cable, with USB 3.0, provides impressive data transmission speeds of up to 5Gbps. This means users can transfer 1GB files in just 5 seconds. This makes the process of transferring movies, photos, and larger files incredibly efficient and fast.

Convenient Connection to Desktop Computers

Using the Vention CBHBH model cable, users no longer need to bend down to connect cables to ports on the front of the computer or crawl under the desk to find rear ports. The Vention cable provides comfort and convenience, saving you time and effort.

Device Port Protection

Constantly plugging and unplugging plugs from ports can lead to damage. The Vention CBHBH model cable helps protect the ports on your devices. By permanently attaching it, users reduce the frequency of plugging devices into the computer or laptop port, resulting in longer device lifespan and better performance.

High-Quality Construction

The Vention CBHBH model cable is built with the highest quality materials. It consists of tin-plated copper wires and a grounding wire. These components are further surrounded by aluminum foil, a metal braid, and an outer PVC jacket. This construction ensures durability,

resistance to interference, and a long service life.

Aesthetics and Functionality

Functionality is not the only important aspect. The Vention CBHBH model cable, made in an elegant black color, will surely complement most devices and computer setups.
