Vention AACBF 1m HDMI Cable

The Vention HDMI cable is a versatile accessory for watching movies, gaming, and more. It supports 4K resolution and allows simultaneous transmission of video and audio. It delivers rich detail and vivid colors, and its wide compatibility ensures you can use it with many devices. The product is also known for its high-quality construction - the PVC coating protects it from damage, and the gold-plated connectors are corrosion and wear-resistant.

Experience Fantastic Moments

With 4K resolution and a 60Hz refresh rate, the displayed image on the screen will be exceptionally smooth and detailed. The Vention AACBF HDMI cable offers an 18 Gbps bandwidth and HDR technology, providing vibrant, beautiful colors. The product also supports 3D display - now you can feel like you're at the cinema in the comfort of your own home! Furthermore, with the ability to transmit both video and audio simultaneously, you don't need to buy additional cables.

Wide Compatibility - Multiple Applications

The cable is compatible with most popular devices such as laptops, computers, smart boxes, TV boxes, gaming consoles, TVs, monitors, and projectors. This makes it versatile for various applications. It will come in handy during gaming sessions, movie nights, or giving presentations at work - the possibilities are truly extensive! Moreover, the cable supports various display modes, including screen

extension and duplication.
