

Cable HDMI 2.0 Vention AACBK, 4K 60Hz, 8m (black)

Cable HDMI Vention AACBK 8m (black)

Ref: 6922794732698

Vention AACBK 8m HDMI cable (black)

The Vention HDMI cable provides 4K video and wide color gamut thanks to HDR. What's more, it guarantees perfect audio and video synchronization and is compatible with a range of different devices. It will work well for watching movies, gaming or displaying presentations. In addition, it has gold-plated connectors and was created with durable materials, which translates into a durable product.

High image quality

Watch movies in even better quality. The cable offers 4K@60Hz resolution, so you can enjoy HD quality video. What's more, dynamic HDR ensures crisp colors. The product also supports 3D imaging - you'll feel like you're right in the center of the action.

Various applications

The cable will find its use in situations such as watching movies, video conferencing, displaying presentations, etc. Moreover, it allows you to display the same image on a larger screen or different ones on 2 separate monitors. It works with devices such as a laptop, computer, TV, monitor or projector. You can also successfully connect it to a Nintendo Switch, Xbox or PS5/4 console.
