Cable HDMI Vention AAQBH 2m Angle 270° (black)

Ref: 6922794745360

Vention AAQBH 2m HDMI Cable, 270° Angled

The Vention AAQBH HDMI cable is equipped with a 270° angled connector, allowing you to conveniently connect it even in tight spaces. It supports 4K resolution and stands out with 3D technology support. It also enables simultaneous transmission of audio and video. The product is compatible with many popular devices and is known for its exceptional durability - you don't need to worry about it getting damaged quickly.

Well-Thought-Out Design

Running out of space behind your TV? The Vention AAQBH cable will come in handy! Its 270° angled connector ensures nothing protrudes, and you won't have to bend the cable excessively to connect it to the right port. The product is also highly durable. The PVC coating protects it from damage, and the gold-plated plugs ensure greater durability and resistance to interference. Moreover, the copper-plated wire provides stable signal transmission.

Experience Home Theater Quality

The cable supports 4K resolution, delivering a clear, detailed image. Now you won't miss any details while watching movies or playing games! The product also allows for simultaneous audio and video transmission. Its additional advantage is an 18 Gbps bandwidth and support for HDR technology, ensuring vivid, vibrant colors.

Wide Compatibility - Multiple Applications

No need to worry about compatibility issues. With the Vention cable, you can, for example, connect a computer to a projector or a gaming console to a TV. Various display modes are also available, such as duplication or screen extension. Choose reliable solutions and bid farewell to limitations!
