Ref: 6922794746558

Cable HDMI 2.1 Vention AAUBH 2m 8K (black)

HDMI 2.1 Cable Vention AAUBH 2m 8K

The Vention AAUBH HDMI cable supports 8K resolution and Hi-Fi sound playback, allowing you to experience unforgettable emotions in the comfort of your home. It is distinguished by high-quality construction - the copper wire ensures stable transmission up to a range of 2 meters, the PVC coating and cotton braid provide effective protection against damage, and the gold-plated connectors are exceptionally wear-resistant. The product also boasts wide compatibility.

Perfect for Watching Movies and More

This practical cable supports 8K resolution, a refresh rate of 144 Hz, and a bandwidth of 48 Gbps. This enables it to display a smooth, detail-rich image. The AAUBH model also offers support for 3D, eARC, QFT, VRR, and HDR technologies, ensuring vivid and vibrant colors. With Vention, you can also enjoy high-quality Hi-Fi sound - there's no need to purchase additional cables.

Many Applications

The cable is compatible with various devices, making it versatile for a variety of uses. You can use it, for example, to connect a computer to a projector or a smart box to a TV. It will serve you well while watching movies, browsing vacation photos, or giving presentations at work, among other things.
