Ref: 6922794731967

Vention EAABF DVI (24+1) male-to-male cable (1m, black)

Vention cable provides high quality 2K (2560x1600p) resolution video. With two 24-pin digital signal channels, it guarantees stable transmission without interference. The product is compatible with a wide range of devices, making it suitable for a variety of scenarios. Its durable construction translates into long-lasting use.

High-quality image

Want to get even more pleasure from watching movies and playing games? The Vention cable provides 2K (2560x1600p) resolution, crystal clear images and rich detail. It's a solution that elevates the visual experience to the highest level.

High signal quality

Forget about interference. The Vention cable uses two independent 24-pin digital channels to ensure stable signal transmission. In addition, the product is equipped with an AWG magnetic ring and signal amplifier to effectively eliminate interference, guaranteeing the highest quality picture.

Wide compatibility

GPU, monitor, projector - these are just a few examples of devices with which Vention cable is compatible. With the product, you can

freely connect your devices while working on a professional project, watching movies, or playing games.
