Vention EACBI DVI(24+5) to VGA cable (3m, black)

The Vention DVI(24+5) to VGA cable provides reliable video signal conversion and is perfect for both home use and business environments. It allows you to enjoy stunning image quality in Full HD 1920x1080p resolution. In addition, plug and play eliminates the need for complicated installations. The product is also immune to interference, with a length of 3 meters.

Many possibilities

Gain new possibilities. Among other things, the Vention cable allows you to connect your desktop computer to a monitor. The image resolution of 1920x1080p provides greater immersion during gameplay. The product is also great for business presentations, allowing you to connect your laptop to a projector.

High-quality workmanship

Bet on a cable that will serve you for a long time. Thanks to the use of durable PVC material, the Vention product is flexible and resistant to wear and tear. In addition, it is not susceptible to interference.
