

Flat HDMI Cable Vention VAA-B02-L150, 1.5m, 4K 60Hz (Black)

Ref: 6922794719972

Flat HDMI Cable 1.5m Vention VAA-B02-L150 (Black)

Flat Black HDMI 2.0 Cable 1.5m

The Vention brand HDMI cable, model VAA-B02-L150, was designed with durability and resistance to everyday use in mind. Its flat construction makes it more resistant to bending and stretching than standard cables. The PVC coating additionally protects it from mechanical damage, ensuring users that the cable will serve them for a long time.

Versatility of Use

Thanks to its versatile design, the Vention VAA-B02-L150 HDMI cable performs excellently in various scenarios. You can connect it on one side to laptops or gaming consoles and on the other side to televisions, LCD monitors, or projectors. This makes it an ideal solution for people looking for a cable that meets various needs and applications.

Support for 3D Effects

Modern technology is always advancing, and the Vention HDMI cable keeps up. It supports 3D effects, allowing users to enjoy depth and realism in three dimensions. Watch movies, games, and other multimedia content in 3D quality using this cable.

High Resolution

Image quality is a key consideration when choosing an HDMI cable. The Vention VAA-B02-L150 model offers a 4K resolution at 60Hz. This

not only makes the image sharper and more detailed but also smoother, which is particularly important when watching dynamic scenes or intense gaming.
