

Flat HDMI Cable Vention VAA-B02-L300 3m 4K 60Hz (Black)

Ref: 6922794719996

Flat HDMI Cable 3m Vention VAA-B02-L300 (Black)

HDMI 2.0 Flat Black Cable 3m

The Vention VAA-B02-L300 HDMI cable is designed for durability and resistance to everyday use. Its flat construction makes it more resistant to bending and stretching than standard cables. The PVC coating further protects it from mechanical damage, ensuring users that the cable will last a long time.

Versatility in Application

Thanks to its versatile design, the Vention VAA-B02-L300 HDMI cable excels in various scenarios. It can be connected to laptops or gaming consoles on one end and to TVs, LCD monitors, or projectors on the other end. This makes it an ideal solution for people looking for a cable that meets various needs and applications.

Support for 3D Effects

Modern technology is constantly advancing, and the Vention HDMI cable keeps up. It supports 3D effects, allowing users to enjoy depth and realism in three dimensions. Watch movies, play games, and experience other multimedia content in 3D quality using this cable.

High Resolution

Image quality is a key consideration when choosing an HDMI cable. The Vention VAA-B02-L300 model offers 4K resolution at 60Hz. This

not only makes the image sharper and more detailed but also smoother, which is especially important when viewing dynamic scenes or intense gaming.
