

Flat HDMI Cable Vention VAA-B02-L500 5m 4K 60Hz (Black)

Ref: 6922794720015

Flat HDMI Cable 5m Vention VAA-B02-L500 (Black)

HDMI 2.0 Flat Black Cable 5m

The Vention brand HDMI cable, model VAA-B02-L500, is designed for long-lasting durability and resistance to daily use. Its flat construction makes it more resistant to bending and stretching compared to standard cables. The PVC coating provides additional protection against mechanical damage, ensuring that the cable will serve users for a long time.

Universal Application

Thanks to its versatile design, the Vention VAA-B02-L500 HDMI cable excels in various scenarios. It can be connected on one end to laptops or gaming consoles, and on the other end to televisions, LCD monitors, or projectors. This makes it an ideal solution for those seeking a cable that meets various needs and applications.

Support for 3D Effects

Modern technology is constantly evolving, and the Vention HDMI cable keeps up with the times. It supports 3D effects, allowing users to enjoy depth and realism in three dimensions. Watch movies, play games, and consume other multimedia content in 3D quality using this cable.

High Resolution

Image quality is a key consideration when choosing an HDMI cable. The Vention VAA-B02-L500 model offers 4K resolution at 60Hz. This not only delivers sharper and more detailed images but also ensures smoother visuals, which is especially important during the viewing of dynamic scenes or intense gameplay.
