Micro HDMI Cable 3m Vention VAA-D03-B300 (Black)

Enjoy excellent picture quality when watching movies, playing games, and more. The Vention Micro HDMI to HDMI cable allows you, among other things, to connect a digital camera to a TV or a laptop to a projector. It also enables simultaneous transmission of video and audio, so you don't need to buy additional cables. Its additional advantage is support for 4K resolution and 3D technology - thanks to this, you can feel like you're in a cinema in the comfort of your own home!
