Vention AHCBD 4K HD 0,5m HDMI Extension Cable

The Vention HDMI extension cable will help you solve the problem of having cables that are too short. It supports 4K resolution, ensuring high-quality visuals, and its triple shielding provides unparalleled transmission stability and resistance to interference. Its solid construction is another advantage - the PVC coating protects it from damage and tangling, while the gold-plated connectors are corrosion-resistant and have a long lifespan. Furthermore, the cable is compatible with many popular devices such as laptops, computers, TVs, projectors, and gaming consoles.

Excellent Image Quality

The enhanced HDMI 2.0 standard offers 4K resolution, a 60 Hz refresh rate, and an 18 Gbps bandwidth. This ensures smooth and detailed visuals that will impress you. The Vention cable also supports HDR technology, allowing you to enjoy vibrant, beautiful colors. It also boasts 3D support, making you feel like you're in a movie theater right in your own room!
