

## Flat HDMI Cable Vention VAA-B02-L075, 0.75m, 4K 60Hz (Black)

Ref: 6922794728035

Flat HDMI Cable 0.75m Vention VAA-B02-L075 (Black)

HDMI 2.0 Flat Black Cable 0.75m

The Vention VAA-B02-L075 HDMI cable is designed for durability and resistance to everyday use. Its flat construction makes it more resistant to bending and stretching than standard cables. The PVC coating further protects it from mechanical damage, ensuring users that the cable will last for a long time.

Versatile Application

Thanks to its versatile design, the Vention VAA-B02-L075 HDMI cable is perfect for various scenarios. You can connect it to laptops or game consoles on one end and TVs, LCD monitors, or projectors on the other end. This makes it an ideal solution for people looking for a cable that can meet different needs and applications.

Support for 3D Effects

Modern technology is constantly advancing, and the Vention HDMI cable keeps up with the times. It supports 3D effects, allowing users to enjoy depth and realism in three dimensions. Watch movies, play games, and experience other multimedia in 3D quality using this cable.

High Resolution

Image quality is a key consideration when choosing an HDMI cable. The Vention VAA-B02-L075 model offers a 4K resolution at 60Hz. This means that the image is not only sharper and more detailed but also smoother, which is especially important when watching dynamic scenes or intense gaming.
