

Flat HDMI Cable Vention VAA-B02-L100 1m 4K 60Hz (Black)

Ref: 6922794716452

Flat HDMI Cable 1m Vention VAA-B02-L100 (Black)

HDMI 2.0 Flat Black 1m Cable

The Vention VAA-B02-L100 HDMI cable is designed for long-lasting durability and everyday use. Its flat construction makes it more resistant to bending and stretching compared to standard cables. The PVC coating provides additional protection against mechanical damage, ensuring that the cable will serve users for a long time.

Versatile Application

Thanks to its versatile design, the Vention VAA-B02-L100 HDMI cable is perfect for various scenarios. It can be connected to laptops, gaming consoles on one end, and to televisions, LCD monitors, or projectors on the other end. This makes it an ideal solution for people looking for a cable that can meet different needs and applications.

Support for 3D Effects

Modern technology is always advancing, and the Vention HDMI cable keeps up with the times. It supports 3D effects, allowing users to enjoy depth and realism in three dimensions. Watch movies, play games, and consume other multimedia content in 3D quality using this cable.

High Resolution

The image quality is a crucial factor when choosing an HDMI cable. The Vention VAA-B02-L100 model offers 4K resolution at 60Hz. This not only provides a sharper and more detailed picture but also ensures smoother visuals, which is particularly important during the viewing of dynamic scenes or intense gameplay.
