

Flat HDMI Cable Vention VAA-B02-L200 2m 4K 60Hz (Black)

Ref: 6922794719989

Flat HDMI Cable 2m Vention VAA-B02-L200 (Black)

HDMI 2.0 Flat Black Cable 2m

The Vention VAA-B02-L200 HDMI cable is designed for long-lasting durability and resistance to daily use. Its flat construction makes it more resistant to bending and stretching compared to standard cables. The PVC coating further protects it from mechanical damage, ensuring users that the cable will last a long time.

Universal Application

Thanks to its versatile design, the Vention VAA-B02-L200 HDMI cable excels in various scenarios. It can be connected on one end to laptops or gaming consoles, and on the other end to televisions, LCD monitors, or projectors. This makes it the perfect solution for people looking for a cable that meets various needs and applications.

Support for 3D Effects

Modern technology is constantly evolving, and the Vention HDMI cable keeps up. It supports 3D effects, allowing users to enjoy depth and realism in three dimensions. Watch movies, play games, and consume other multimedia content in 3D quality using this cable.

High Resolution

Image quality is a crucial factor when choosing an HDMI cable. The Vention VAA-B02-L200 model offers 4K resolution at 60Hz. This not

only provides sharper and more detailed images but also smoother visuals, which is especially important when viewing dynamic scenes or intense gaming.
