Vention HDMI Cable to HDMI Black 3m

With the Vention HDMI cable, users can connect devices with an HDMI port, whether it's a laptop, desktop computer, or gaming console, easily to a monitor, projector, or TV.

High-Quality Image

The Vention HDMI cable ensures high-quality image by supporting resolutions up to 4K at 60Hz. This allows users to enjoy crystal-clear visuals while watching movies, playing the latest games, or giving presentations. The option to choose between 4K 60Hz, 4K 30Hz, and 1080P 60Hz allows for customization based on individual needs.

Durable Construction

The nylon braided covering not only gives the cable an elegant appearance but also reinforces its structure. This means that the Vention cable is resistant to mechanical damage, extending its lifespan and ensuring smooth operation for a long time.
