

Modular Plug RJ45 Cat.6 UTP Connector Vention IDDR0-10 Trans

Ref: 6922794744226

Modular RJ45 Cat.6 UTP Connector Vention IDDR0-10 Transparent 10 pcs.

RJ45 cat.6 UTP modular plug Vention IDDR0-10 clear 10 pcs.

Cat.6 UTP modular plugs are a reliable choice for excellent quality network connections. Thanks to gold-plated contacts, the signal is transmitted with minimal loss and interference. All this translates into stable and efficient connections. It is compatible with various devices that are equipped with an RJ45 interface. In the set you will find 10 plugs, so you can easily create multiple network connections.
