Cat.5E UTP 180-Degree Keystone Jack Vention IPBW0 White

Vention IPBW0 (white) cat.5E UTP 180 degree keystone jack.

The IPBW0 keystone jack works perfectly with Category 5E cables, which means you can easily and effectively increase the bandwidth of your network. It is an ideal solution for both home and office applications. The product is made of durable materials, and gold-plated contacts ensure excellent connection quality, minimizing signal loss. Thanks to its 180-degree design, it allows for easy installation and maximum use of space inside the mounting box.
