

Splitter Adapter RJ45 Vention IPTB0 2pcs Black

RJ45 PVC Splitter Adapter Vention IPTB0 Black

Ref: 6922794747814

RJ45 PVC splitter adapter Vention IPTB0 (black).

Vention adapter will help you expand your network in an extremely simple and efficient way. Thanks to it you will successfully connect 2 devices to one Internet source. The transmission range of 100 meters allows you to freely branch the signal in your home or office, ensuring excellent quality of Internet connection. Made of high-quality PVC, it is not only resistant to wear and tear, but also effectively prevents fingerprints.

Increase the number of connections

Whether you want to connect more devices in the office or improve the performance of your home network, the Vention adapter will work perfectly. With the IPTB0 splitter adapter, you will gain the ability to connect more devices to your network. Now you can connect additional computers, printers, TVs or consoles to a single Internet source, without having to drag long cables across the room.
