

Keystone Jack Cat.6 FTP Connector Vention IPVBO Black

Ref: 6922794745414

Keystone Jack Cat.6 FTP Connector Vention IPVBO Black

Keystone Jack connector cat.6 FTP Vention IPVBO (black).

Is your network cable too short? Vention's Keystone connector is the solution to your needs! The accessory is perfect if you need to extend or connect two shorter Ethernet cables to reach the right length. Thanks to its gold-plated contacts, it not only guarantees stable connections, but also minimizes signal loss, resulting in unmatched data transfer quality. The robust PVC construction ensures resistance to wear and tear and the shielding layer effectively protects against electromagnetic interference.
