

Modular Plug RJ45 Cat.5E UTP Connector Vention IDBR0-10 Tran

Ref: 6922794744165

Modular RJ45 Cat.5E UTP Connector Vention IDBR0-10 Transparent Pack of 10

Modular RJ45 Cat. 5E UTP Plug, 10 Pieces

Thanks to the unique chip design, where each chip has three ends that tightly adhere to the core of the cable. This solution speeds up data transmission, ensuring a stable and reliable connection. It's the perfect solution for those who seek not only performance but also reliability in every connection.

Gold-Plated Contacts for Better Conductivity

Say goodbye to rust! The IDBR0-10 modular plug is equipped with gold-plated contacts that are not only corrosion-resistant but also significantly improve conductivity. This ensures that every connection will have the highest quality conductivity, providing excellent data transmission quality.

Durability and Longevity

When we talk about Vention products, we know we are getting the highest quality product. Thanks to the transparent construction, we can easily monitor the plug's condition while enjoying its aesthetic appearance. You get a total of 50 pieces in the package, making it an ideal choice for both small and larger network projects.

Standard Cat. 5E UTP RJ45

The IDBR0-10 modular plug complies with the Cat. 5E UTP RJ45 standard. This means it is adapted to modern network requirements, ensuring compatibility with various devices and guaranteeing fast, reliable data transmission.
