

Modular Plug RJ45 Cat.5E UTP Vention IDBR0-100, transparent,

Modular RJ45 Cat.5E UTP Vention IDBR0-100, transparent, 100 pieces packaging

Ref: 6922794744141

Modular Plug RJ45 Cat. 5E UTP 100pcs.

Thanks to the unique chip construction, where each one has three tips that tightly adhere to the cable core. This solution accelerates data transmission, ensuring a stable and reliable connection. It's the perfect solution for those who seek not only performance but also reliability in every connection.

Gold-Plated Contacts for Better Conductivity

Say goodbye to rust! The IDBR0-100 modular plug is equipped with gold-plated contacts, which are not only corrosion-resistant but also significantly improve conductivity. This ensures that every connection will have the highest quality of conductivity, guaranteeing excellent data transmission quality.

Durability and Longevity

When we talk about Vention products, we know that we're getting the highest quality. Thanks to its transparent construction, we can easily monitor the plug's condition while enjoying its aesthetic appearance. You receive a total of 50 pieces in the set, making it an ideal choice for both small and larger network projects.

Standard Cat. 5E UTP RJ45

The IDBR0-100 modular plug complies with the Cat. 5E UTP RJ45 standard. This means it is adapted to modern network requirements, ensuring compatibility with various devices and guaranteeing fast, reliable data transmission.
