USB-C to USB-C Docking Station, 3x USB3.0, PD 0.15m Vention THAHB, gray

Hub Vention 9-in-1: USB-A 3.0 x3, 3.5mm Mini Jack, microSD and SD Card Reader, RJ45, HDMI, USB-C PD

The Vention THAHB model hub represents the perfect combination of functionality, speed, and aesthetics. Offering not only various ports and impressive data transfer speed but also wide compatibility with different systems, it is an essential product for modern users.

### Fast Charging with USB-C PD Port

One of the advantages of the Vention hub is the USB-C port that supports fast charging at 100W. This allows users to quickly charge their devices, such as laptops or smartphones, providing them with extended usage or entertainment time without the need for long charging sessions.

### Home Theater Quality in 4K with HDMI Port

The HDMI port not only offers clear 4K@30Hz quality but also supports 3D effects, providing a cinematic experience in the comfort of your home. By connecting your laptop or other devices to a TV or monitor, users can enjoy their favorite movies, games, or presentations in the best possible quality.

### Incredible Internet Speed with RJ45 Port

In the digital age, internet connection speed is crucial. The RJ45 port on the Vention hub supports internet speeds of up to 1000Mbps,

ensuring smooth streaming, downloading large files, or playing online games without delays.

#### Lightning-Fast Data Transfer with USB-A Ports and Card Readers

Data transfer has never been this fast. With USB-A ports operating at 5Gbps and microSD and SD card readers with a speed of 104Mbps, users can quickly transfer photos, videos, music, or documents between different devices.

#### Versatility and Compatibility

The Vention 9-in-1 Hub is not only functional but also incredibly compatible. With support for Mac OS, Windows, iOS, Android, and Linux systems, it is an ideal solution for almost every user. Furthermore, the ability to read the contents of USB drives on a phone is an additional benefit for those who frequently use various devices.
