

USB-C Docking Station to HDMI, VGA, 3x USB 3.0, PD 0.15m Ven

Ref: 6922794754751

USB-C Docking Station to HDMI, VGA, 3x USB 3.0, PD 0.15m Vention TOIHB (gray)

Docking station USB-C to HDMI, VGA, 3x USB 3.0, PD 0,15m Vention TOIHB (gray)

You'll connect the Vention TOIHB hub to all sorts of devices. The product offers 4K video and allows you to charge your devices with PD 87W. What's more, you can transfer files at 5 Gbps. The product is compatible with iOS and Windows, and the advanced chip allows the hub to work quickly and efficiently.

Quickly renews your device's power

The Vention hub is equipped with a USB-C port that allows you to charge your devices at a PD speed of 87 watts. This will renew your MacBook's energy in no time - no more interrupting your work, gaming, or watching your favorite TV series.

Wide compatibility

The Vention TOIHB offers 3 USB3.0 ports to which you can connect devices such as a flash drive, mouse, keyboard, or SSD drive. In addition, it allows you to transfer files at 5 Gbps. This means you don't have to wait too long for your photos, videos or documents to be copied.

High picture quality

Watch your favorite TV series, movies and play games in even better quality. The Vention TOIHB delivers crystal clear, crisp and detailed

images in 4K resolution. In addition, it is compatible with Nintendo Switch for even more immersion during gameplay. It is also possible to connect your laptop to the projector thanks to the available VGA port. This allows you to project the same image on 2 different screens in 1080p resolution.
