

USB-C Docking Station to HDMI, 3x USB3.0, RJ45, SD, TF, PD 0

USB-C Docking Station to HDMI, 3x USB3.0, RJ45, SD, TF, PD 0.15m Vention TOKHB (gray)

Ref: 6922794753488

Docking station with USB-C to HDMI, 3x USB3.0, RJ45, SD, TF, PD 0.15m Vention TOKHB (gray)

The Vention TOKHB offers a variety of ports so you can connect multiple devices to it. It provides 4K resolution video and allows fast charging thanks to its 100W PD. In addition, it allows file transfer at 5 Gbps and signal transmission at 1000 Mbps. In addition, the hub is protected against overheating, wear and tear, and thanks to its lightweight and compact design, you can easily store it.

Fast charging

Now you'll renew your device's power in no time. The USB-C port supports the PD 100 W fast charging protocol, so you'll be charging your equipment in no time. The 13" MacBook Pro will be ready to continue working after about 1.5 hours, and the MateBook 13 in about 2 hours.

Picture in 4K@30Hz

Find yourself at the center of the action with Vention TOKHB. The hub offers a clear and richly detailed image in 4K@30Hz resolution, making you feel like the hero of your favorite title. Just connect the hub with an HDMI cable to your TV, projector, or monitor.

Transfer files, use the Internet

You no longer have to wait indefinitely for your files to be transferred. The USB3.0 port allows you to transfer data at a speed of 5 GBps -

now you can copy photos, videos, presentations or important documents in no time. That's not all! The hub provides Internet access with a speed of max. 1000 Mbps, so you can work, play and browse the web comfortably.

More possibilities with OTG

The hub supports OTG, which means you can directly connect your flash drive/console to your smartphone/tablet via the hub's built-in USB-C cable. As a result, you can watch movies on your smartphone without Internet access, connect a mouse/keyboard or a game pad.
