

USB-C Docking Station to HDMI, USB-C, 2x USB3.0, RJ45, SD, T

Ref: 6922794753471

USB-C Docking Station to HDMI, USB-C, 2x USB3.0, RJ45, SD, TF, TRRS 3.5mm, PD 0.15m Vention TOMHB (gray)

Docking station with USB-C to HDMI, USB-C, 2x USB3.0, RJ45, SD, TF, 3.5mm, PD 0.15m Vention TOMHB (gray)

The Vention TOMHB offers a variety of ports so you can connect multiple devices to it. It provides 4K resolution video and allows fast charging thanks to its 100W PD. In addition to this, it allows you to transfer files at 5 Gbps and transmit signals at 1000 Mbps.

Fast charging

Now renew your device's power in no time. The USB-C port supports PD 100 W fast charging protocol, so you'll be charging your equipment in no time. Your MacBook Pro 13" will be ready to go after about 1.5 hours, and your MateBook 13 in about 2 hours.

Picture in 4K@30Hz

Find yourself at the center of the action with Vention TOMHB. The hub offers a clear and richly detailed image in 4K@30Hz resolution, making you feel like the hero of your favorite title. Just connect the hub with an HDMI cable to your TV, projector, or monitor.

Transfer files, use the Internet

You no longer have to wait indefinitely for your files to be transferred. The USB3.0 port allows you to transfer data at a speed of 5 GBps - now you can copy photos, videos, presentations or important documents in no time. That's not all! The hub provides Internet access with a speed of mac. 1000 Mbps, so you can work, play and browse the web comfortably.
