Hub Vention 5-in-1 USB-A 3.0x4, USB-C PD 100W

The Vention 5-in-1 Hub comes equipped with 4 USB-A 3.0 ports that offer incredible data transfer speeds of up to 5Gbps. This means transferring a 1GB file will take only 5 seconds. It's the perfect solution for those who value speed and efficiency.

Powerful Charging with USB-C PD 100W

One of the main advantages of this hub is its ability to simultaneously transfer data and charge. The USB-C PD 100W port provides fast and powerful charging, ensuring that the user's devices are always ready for action.

Compatibility with Multiple Systems

The Vention 5-in-1 Hub is a versatile tool compatible with various operating systems, such as Windows 10/8/7/Vista/XP, MacOS, Android OS, and iOS. Regardless of the user's devices, this hub is likely to work seamlessly with them.

Support for up to 4TB HDDs

If the user needs to connect an external hard drive, the Vention 5-in-1 Hub is ready to go. It easily supports HDDs with a capacity of up to 4TB, making it indispensable for professionals and technology enthusiasts.

Durability and Compact Size

Constructed from durable aluminum alloy, the hub not only looks elegant but is also resistant to daily wear and tear. Its texture prevents fingerprint smudges, and excellent heat dissipation properties ensure its long-lasting performance. The hub is compact enough for users to take it anywhere, thanks to its small size and a 15cm cable length.
