

Power Cable USB 2.0 to DC 3.5mm Barrel Jack 5V Vention CEXWF

Ref: 6922794746688

USB to 3.5mm Barrel Jack 5V DC Power Cable 1m Vention CEXWF (white)

USB to 3.5mm Barrel Jack 5V DC Power Cable 1m Vention CEXWF White

The Vention brand USB power cable allows you to charge small devices such as electric toothbrushes safely. With an input voltage of 5V and input current of 2A, you can be confident that your devices will be properly and safely powered. The CE, FCC, and RoHS certifications confirm its quality and compliance with safety standards.

Wide Compatibility

The Vention CEXWF features a male USB A connector and a 3.5mm Barrel Jack, making it versatile and compatible with various devices. You can easily connect it to a USB power source, such as a USB charger, power bank, or computer, to replenish the energy of your devices whenever needed.

Robust Construction

The cable is constructed from durable PVC material, making it resistant to mechanical damage. Nickel-plated connectors ensure a stable connection, ensuring that the cable is not only durable but also provides efficient current transmission.

Plug and Play

Using the cable is incredibly straightforward - simply connect the appropriate ends to your devices and start charging. No additional

drivers or complicated configurations are required.
