Vention Micro Jack 3.5mm to Micro Jack 6.35mm Cable, 2m, Black

The Vention cable model BAUHH combines excellent quality with aesthetics. Made of durable cotton braiding and covered with PVC sheathing, it ensures long-lasting protection against mechanical damage and external factors. Its tinned copper wire and aluminum foil shielding provide excellent conductivity and insulation, minimizing interference. Gold-plated connectors guarantee optimal signal transfer, while the universal micro jack 3.5mm and 6.35mm connectors allow for versatile use. The elegant black color adds a professional look, making it the perfect choice for any audiophile.

Durable Construction

The Vention BAUHH cable combines functionality and durability. Its cotton braiding ensures that the cable is resistant to abrasion, bending, and daily use. Additionally, the PVC outer sheath protects the cable from external factors such as moisture and dirt.

Cable Protection

The cable of this cable is made of tinned copper, ensuring excellent conductivity and corrosion resistance. The aluminum foil shielding is an additional protective barrier that provides effective insulation and minimizes interference. Together, they create a combination that guarantees long-term use without any loss of sound quality.

Gold-Plated Connectors

The connectors of the Vention cable are gold-plated, which not only adds elegance but, most importantly, ensures optimal conductivity and minimizes the risk of signal quality loss. This ensures that the sound is transmitted cleanly and without any interference.

Versatile Application

This cable is incredibly versatile. It can be connected to various audio devices such as speakers, amplifiers, guitars, or mixing consoles. Its micro jack 3.5mm and micro jack 6.35mm connectors allow for a wide range of connections, making it the ideal choice for both professionals and amateurs.
