3.5mm Male to 2x RCA Male Audio Cable 3m Vention BCFBI Black

3.5mm Male to 2x RCA Male Audio Cable 3m Vention BCFBI Black

The BCFBI Vention cable is a guarantee of excellent sound and video quality. The 3.5mm male connector on one end allows audio to be transmitted, while the three RCA male connectors on the other end handle the video signal. Whether you want to connect a TV to an older console, a projector to a laptop or any other combination of AV devices, this cable will meet your expectations.

Excellent sound and video quality

Thanks to its gold-plated connectors and magnetic shielding, the Vention BCFBI provides a stable signal that is not subject to interference, resulting in an exceptional movie and music listening experience. The cable supports a bi-directional signal, further enhancing its versatility.

Durable design and ease of use

The product has been carefully designed to meet everyday challenges. Made of tin-plated copper, it ensures reliability and resistance to wear and tear. The plug-and-play system means you don't have to worry about any complicated configurations - just plug it in and enjoy excellent audio and video quality.
