Ref: 6922794744752

Vention TACHH 2m USB 2.0 to Lightning cable (gray)

The Vention cable allows you to quickly charge devices that have a Lightning port and transmit data at 480 Mbps. It is MFi certified, which means it is fully compatible with iOS and meets the highest quality and safety standards. The length of 2 meters gives you even more freedom to use your devices while charging.

Fast charging and data transfer

You don't have to wait for hours for a full charge - now it only takes a moment. With a charging current of 3A, your smartphone or iOS tablet will be back in business in no time. In as little as 1.5h you will renew the energy of your iPhone 12 Pro to full! What's more, the data transfer speed of up to 480 Mbps allows you to transfer photos, videos and files between devices in no time.
