Vention COSBG USB-C 2.0 cable (1.5m, black)

Discover a new level of speed with Vention. The 1.5-meter long USB-C to USB-C cable is distinguished by its 3A current and 20V voltage. It also supports Qualcomm Q4 4.0 fast charging and PD with up to 60 watts - all of which translates into high charging performance. It also allows you to transfer files to your device of choice at 480 Mbps.

Fast charging and instant file transfer

The Vention cable supports a voltage of 20 volts and an amperage of up to 3 amps, so it will work well for powering a variety of devices - including those that require more power, such as laptops and gaming consoles. It supports various fast charging protocols, including Qualcomm Q4 4.0 and PD 60W. In addition, it allows you to transfer files at 480 Mbps. As a result, you will streamline your work!

Thoughtful design

The product is distinguished by its high durability, so it will serve you for a long time. It has passed a number of tests that confirmed its resistance to damage. It also features a 30/21 AWG tin-plated copper conductor, which, combined with multiple shield protection, ensures fast and stable charging.
