Audio Adapter Cable 3.5mm Male to 2x Male RCA 10m Vention BCLBL Black

Audio Adapter Cable 3.5mm Male to 2x Male RCA 10m Vention BCLBL Black

The BCLBL cable provides seamless communication between audio devices. The 3.5mm TRRS connector will allow you to connect, for example, your smartphone or laptop to audio devices that have an RCA input (e.g. amplifier, AV receiver). Enjoy your music or audio from different sources, regardless of the type of connector.

Superior Sound Quality

The Vention cable is designed to maintain excellent sound quality. Gold-plated connectors guarantee a stable connection and minimize signal loss. Tin-plated copper in the cable ensures clear and undistorted sound, so you can enjoy your music without any loss of quality.

Durable Construction and Trouble-Free Use

The BCLBL has been carefully crafted to ensure reliability and durability. The PVC material on the cable's sheath protects it from mechanical damage. Thanks to the Plug and Play feature, using the cable is extremely easy. All you need to do is connect the appropriate terminals to your devices. The 10-meter cable will give you full freedom of use.
