

USB-C 2.0 to USB-C Cable Vention TAEHD 0.5m PD 100W Gray

Ref: 6922794751040

USB-C 2.0 to USB-C 5A Cable Vention TAEHD 0.5m Gray

USB-C to USB-C Cable, Black, 1.5 meters

There's nothing worse than a cable that quickly wears out. That's why the TAEHD model from Vention comes equipped with a nylon braid that protects it from daily wear and tear, bending, and twisting. This ensures that the cable will serve the user for a long time.

Rapid Charging with 5A Voltage

Thanks to this cable, users don't have to wait long for their devices to charge. The 5A voltage ensures lightning-fast charging. It's the perfect solution for people on the go who need their equipment ready to go at any moment.

Advanced Construction for Reduced Interference

Vention cares about transmission quality. That's why the TAEHD model is built with tinned copper wire bundles, surrounded by aluminum foil, a metal braid, and an outer TPE jacket. This combination of materials guarantees minimal interference while providing excellent data transmission quality at 480Mbps speed.

Reinforced Connector Housing for Durability

Even the best cable is useless if its connector is damaged. Thanks to the reinforced connector housing, the TAEHD model won't easily break, even when subjected to regular pressure during plugging and unplugging.
