

## USB-C 2.0 Cable Vention COTBG 5A, PD 100W, 1.5m Black PVC

Ref: 6922794749320

USB-C 2.0 to USB-C 5A Cable Vention COTBG 1.5m Black PVC

Vention COTBG USB-C 2.0 to USB-C cable (5 A, 1.5 m, black)

Bet on Vention's proposition and gain the ability to charge quickly and safely. The USB-C to USB-C cable provides up to 5 amps, a voltage of 20 volts and supports fast charging protocols, including PD with 100 watts of power, which translates into instant power restoration for compatible devices. With the E-Marker chip, you can rest assured that your valuable equipment is protected at all times. In addition, the product features a sturdy design and supports file transfer at 480 Mbit/s, with a length of 1.5 meters.

**Built for fast charging**

No longer do you have to wait for a long time until the equipment you need is charged and ready to continue working. The Vention cable supports an amperage of 5 amps and a voltage of up to 20 volts, making it suitable for the rapid renewal of a variety of devices such as smartphones, tablets, laptops and gaming consoles. It also supports fast charging protocols such as PD100W and Qualcomm QC 4.0.

**Taking care of your equipment**

Vention cares about the safety of your devices. The cable is equipped with an E-Marker chip that automatically adjusts the charging power to the connected equipment. So you can abandon all worries! In addition, with the help of the product you will efficiently transfer your files to your chosen device at 480 Mbit/s.
