

USB-C to HDMI, 3x USB 3.0, SD, TF Hub Vention TOOHB 0.15m Gr

Ref: 6922794767003

USB-C to HDMI, 3x USB 3.0, SD, TF Hub Vention TOOHB 0.15m Gray

Vention TOOHB USB-C to HDMI, 3x USB 3.0, SD, TF hub 0.15m (Gray)

This Vention hub offers data transmission speeds of up to 5 Gbps and delivers 4K@30Hz resolution video. In addition, it allows you to simultaneously read and write files to 2 memory cards. The hub also features a blue LED indicator that indicates the device's operating status. Storage and transportation, on the other hand, is facilitated by a lightweight, compact design.

Expand the capabilities of your laptop

Choose the Vention hub if your laptop doesn't offer enough ports. The product provides inputs such as HDMI, USB-C, 3x USB3.0 and slots for SD and Micro SD cards. In addition, it allows you to transfer data at 5Gbps - now you can quickly and conveniently copy your vacation photos, important documents, etc.

4K UHD picture quality

With the Vention hub you can watch movies and series in excellent quality. The product delivers images in 4K@30Hz resolution, allowing you to enjoy every detail. Moreover, it is compatible with devices such as projectors, computers, TVs and monitors.

Efficiency and reliability

Hub Vention is characterized by efficient operation, which is ensured by the built-in chip. As a result, the operation of the device runs

without interference or stuttering. What's more, the aluminum housing guarantees protection from wear and tear and effectively dissipates heat, preventing the device from overheating.
