

Adapter OTG USB 3.0 to USB-C and Micro USB Vention CDIB0

Ref: 6922794737341

USB to USB-C and Micro USB OTG Adapter Vention CDIB0

USB-C and Micro USB OTG Adapter Vention CDIB0

Introducing the USB-C and Micro USB OTG Adapter by Vention CDIB0, which serves as an excellent solution for mobile device users, allowing for easy and convenient connection of various USB devices, such as a mouse or keyboard.

Versatile Connectivity

This adapter enables the connection of smartphones to various USB peripherals. The adapter offers a female USB 3.0 connector and two male connectors - Micro USB and USB-C, providing you with extensive options for connecting to various devices, including smartphones, tablets, laptops, and more.

High Signal Quality

The adapter's connectors are nickel-plated, ensuring a stable connection and minimizing signal loss. Audio and data are transmitted without disruptions, guaranteeing smooth and trouble-free usage of your devices.

Robust Construction

The housing material is made of polyvinyl chloride (PVC), making the adapter durable and resistant to mechanical damage. You can trust that it will serve you for an extended period. Thanks to its compact dimensions (width 24.8 mm, depth 26.6 mm) and lightweight design

(9 g), this adapter is highly portable. You can easily slip it into your pocket or bag, ensuring it's always within reach.
