

Adapter HDMI to VGA Vention AIDB0 with 3.5mm Audio Port

Ref: 6922794744332

HDMI to VGA Adapter Vention AIDB0 with 3.5mm Audio

Vention AIDB0 HDMI to VGA Adapter with 3.5mm Audio Port

The Vention HDMI to VGA adapter is a versatile solution for various applications. You can use it to connect a computer to a projector, a smart box to a TV, or a gaming console to a monitor, among other uses. The product stands out with its wide compatibility and offers different display modes, allowing you to duplicate or extend your screen. Furthermore, the adapter supports 1080p resolution, providing a clear and detail-rich image. It also features an additional 3.5mm audio port, allowing you, for example, to connect headphones.

Top-Quality Construction

The adapter is made from high-quality materials, making it highly durable and resistant to damage. It also boasts a high-performance built-in chip that prevents distortion and ensures better image quality. The product is lightweight and portable, making it easy to carry in your pocket. You can have it with you at all times! Additionally, the adapter is compatible with popular operating systems (Windows, Linux, Mac OS) and supports Plug & Play, meaning you just need to connect it to your chosen device—no need to install additional drivers.
