Black Shark BS-T9 Headphones (Black)

Black Shark BS-T9 are wireless headphones that will allow you to rediscover your favorite songs. They are equipped with 13 mm drivers, providing high-quality sound. Thanks to ENC technology, you can make phone calls even in noisy environments, and touch panels make headphone operation easy. With up to 40 hours of battery life with the charging case, you can enjoy music for extended periods without frequent recharging. They are also IPX4 waterproof, making them suitable for intense workouts.

High-Quality Music Experience

Listening to music becomes a true pleasure with Black Shark BS-T9 headphones. These headphones feature 13-millimeter dynamic drivers that deliver incredibly clear and detailed sound, balancing high tones and powerful bass for an exceptional audio experience.

Crystal Clear Conversations

Now you can have clear conversations with friends and family no matter where you are. These headphones offer excellent call quality and eliminate background noise thanks to advanced ENC technology. Whether you're in a crowded shopping center, on a train, or in heavy traffic, nothing will disrupt your conversation.

Extended Playtime

Listen to music without limits! Black Shark BS-T9 can play your favorite songs for up to 7 hours on a single charge. Need more playtime? No problem! The included charging case extends the headphone's battery life up to 40 hours. Moreover, just 10 minutes of charging provides an additional 4 hours of playtime.

Wireless Freedom

Connection problems are a thing of the past. Black Shark headphones use the latest Bluetooth 5.3 version, ensuring faster and more stable signal transmission with lower energy consumption. In gaming mode, you can enjoy exceptionally low latency, ensuring perfect audio and video synchronization. Focus fully on your game or favorite music without worrying about interference!

Lightweight, Ergonomic Design

The BS-T9 model surprises with an incredibly lightweight design – each headphone weighs only 3.5 grams! They fit comfortably in your ears, allowing you to use them for hours without fatigue or discomfort. They are also IPX4 waterproof, so you can enjoy music without worry during intense workouts or rainy walks – rain and sweat won't be a problem.

Full Control at Your Fingertips

Headphone operation has never been easier! Black Shark BS-T9 headphones come with intuitive touch panels that provide quick access to essential functions. You can control music playback, change songs, manage calls, or activate gaming mode with ease. See for yourself how simple it is!
