

Wireless mouse Havit HV-MS989GT (black and silver)

Wireless mouse Havit HV-MS989GT (black and silver)

Ref: 6950676260700

Havit HV-MS989GT wireless mouse (silver)

Discover a new quality of work and entertainment with the Havit wireless mouse! You'll easily connect it to the device of your choice in the 2.4 GHz band, and with its adjustable DPI, you'll adjust its precision to your needs. The lifespan of its buttons reaches 1 million clicks, so it will serve you perfectly for a long time.

Wireless freedom

Forget about eternally tangled cables! Havit mouse connects to the equipment of your choice in the 2.4 GHz band, and its signal range reaches up to 8 meters. Thanks to the plug & play function, using it becomes really hassle-free - just plug the mini receiver into the device! You no longer need to waste time on complicated installations or configurations - the Havit HV-MS989GT is ready for operation as soon as you plug it in.

Adjustable resolution

The Havit mouse is designed to meet the different needs of users. With adjustable DPI ranging from 800 to 1600, you have full control over the precision and speed of the cursor on the screen. Whether you're working on graphic design projects, playing your favorite games or simply browsing the web, now you can easily adjust the mouse's performance for any task.

Exceptional working comfort

The ergonomic design of the mouse makes it fit perfectly into the shape of your hand, providing a natural wrist position, even during long hours of work. The Havit HV-MS989GT also offers an auto-sleep function to help you save energy. The mouse automatically goes to sleep when you don't use it for a certain period of time - just one press and it's ready to go again!
